

 **PERGE**
MARITIME AND SHIPPING AGENCY

MARITIME AND

PERGE MARITIME was founded in 2010. Since it was established, our company is constantly evolving and growing. Our rapid growth in such a short period is the best proof of Perge's professional philosophy of working and approach to maritime and offshore business. Currently, Perge Maritime represents Russian, Ukrainian, EU and United States ship owners, managers and charterers.

PERGE MARITIME offers tailor made agency services at all Turkish Ports and Straits to vessels, owners and charterers for their operational, official, financial, legal representation to fulfill their voyage requirements. Our main profession is shipping agency, customs and logistic operations for offshore projects, a field which all of our staff is fully experienced for more than 10 years in shipping business.

PERGE MARITIME has official agency licence from Maritime Directorate and also is a full member of Chamber of Maritime and International Tug and Salvage Union (ITS).

SHIPPING AGENCY
